

LGS Group hires new sales engineer to drive work truck business

RENO, NEVADA – January 10, 2023

LGS Group, the master distributor for InterMotive Vehicle Controls, is proud to announce that Brenda Gaugler has joined the company as National Sales Engineer based out of the Elkhart, Indiana, office.

Gaugler brings extensive automotive engineering experience to the position. Her background includes industrial automation and control products with over 25 years specializing in performance racing engines. Gaugler will be largely responsible for work truck product sales in the United States and Canada.

“We have looked long and hard for the right person to fill this role,” says Linda Schafer, President of LGS Group. “Brenda has the unique experience and skills to further our goals in the work truck industry. She has hit the ground running and we are fortunate to have her on our team.”

###
